Welfare, Room No. 200, Old Secretariat,
Government of Manipur,
Imphal-795001, Manipur
3. The Director of Medical and Health Services,
Manipur, Imphal.

Subject: Implementation of Nurses Registration and Tracking System by the Indian Nursing Council (INC) [Live Register]

Dear Sir,

Indian Nursing Council is responsible for maintaining the live register of all the nurses enrolled on the state registers under Section 15(1) as per the provisions of the Act. To establish uniform pattern, streamline the registration process of existing nurses into live register (Database) INC has planned to bring out an integrated approach across all the state nursing councils. Through this approach there shall be State Live Register of Nurses and National Live Register of Nurses simultaneously. The National Live Register of Nurses is primarily derived by integrating all the state live registers of nurses with the following objectives:

- Online availability of data of active and registered nurses/ midwives across country through a Computerized Live Register;
- Standard application form and procedures for clearances of application forms;
- Online filing and submission of registration application forms;
- Appropriate MIS reporting framework;
- Non-duplication of nurses/ midwives data;
- Unique identification of nurses/ midwives resulting in quick & easy verification process;
- Quick verification process by the hospitals/ private clinics before employing any nurse/midwife;
- Facilitate stakeholders with requisite information regarding registration services.
